

JOURNAL 9/21

What is a hypothesis? Try to give an example of one if you know what it is.

Agenda

- Finish S'More Lab

I think the twinkie will
never mold due to the
chemicals inside.

idea you can ^{test}
you made it up
theory
educated guess
based on obs/data
Prediction

I guess, I think ~~believe~~

Aug 22-10:24 AM

Evidence/data .7 .2 1.24

8) density #

I know I was wrong because.
the graham cracker was the least dense
at (.05 g/cm³)

Sep 14-10:35 AM

$$\text{density} = \frac{\text{mass}}{\text{Volume}}$$

Sep 17-10:23 AM
