Academic Policy Statement:

Honesty in academic endeavors is a central tenet of the KPBSD philosophy. One may feel proud of accomplishments and success attained honorably through hard work. Knowledge gained in this way often leads to later success in professional pursuits and in personal life. Unfortunately, academic stress and anxiety sometimes impact the individual in ways that produce dishonest behavior, or taking an “easier” route to fulfilling academic responsibilities. Infractions of academic dishonesty can lead to serious consequences.

****Please refer to the [Academic Integrity Tutorial](#) for examples and important details.**

Student with Disabilities: To aid students who experience a documented physical, cognitive, and/or psychiatric disability, students will need to contact Ms. Adams ASAP to discuss any accommodations or modifications that should be made to meet the IEP or 504 plan in place. Early contact promotes a positive educational experience!

Civility and Harassment: Intellectual honesty, mutual respect, and freedom from discrimination, intimidation, harassment and violence against persons or property are central to your education. Acts of intolerance and abusive behaviors which violate these basic values will not go unchallenged.
